# GRAIN AND FORAGE CENTER OF EXCELLENCE

## **2020 INTERNSHIP APPLICATION**

The UK Grain and Forage Center of Excellence Internship Program (funded by the USDA-NIFA REEU Program) is designed to provide exceptional undergraduate students hands-on independent and guided research and extension opportunities. The goal is to graduate exceptional undergraduate students that are prepared to address the challenges of sustainable agricultural production within the workforce or in graduate programs. Ten (10) students will be selected each summer for a 12-week internship that begins May 25 and ends Aug 14. Submit the completed application, copy of unofficial transcript and two letters of recommendation no later than Feb 15 to Dr. Carrie Knott at [carrie.knott@uky.edu](mailto:carrie.knott@uky.edu).
